

AUGUST 12, 2012

Dear Mr. Basker,

Thank you for your letter and your helpful comments.

Are you interested in trying to help me in any way? Perhaps check out my appointed public defender (Roger Pevan, of Federal Public Defenders in Spokane, WA)? Perhaps help to find qualified experts to testify on dideoxy bases and on a diminished capacity defense (4 operations in 6 months and lots of very high-test drugs)?

Please let me know.

Best,

RD
